AUGUST 5TH – UPCOMING DESIGNERS AT WOLF & BADGER

Notting Hill concept boutique, Wolf & Badger have a lot to be excited about this autumn/winter. For one, they're welcoming one of our favourite young jewellers in store - FSAugusta.

The 2008 Central St Martin design graduates - Zinzi and Ursula - have a fashion range and a fine jewellery collection which include **covetable precious metal cocktail rings in the shape of pigs heads with gem encrusted eyes**. Trust us - you'll want one.

Also new in, is shoe designer Gwendolyn Carrie who prides herself on turning out handcrafted couture-style shoes. Other than her Ellis Street (just off of Sloane Square) boutique, Wolf & Badger are the only

other stockists of her covetable designs.
